Objective

Leveraging my 3 years of freelance experience to support my passion for music while making an impact on the industry.

Employment History

(References available upon request)

2013-Present - 2More Music - Record Producer/Solo Artist

With my production team 2More Music, I have recorded both solo and collaborative projects. Last year, I released my first single and music video "Promiseland." I've worked with artists in the LA and SF area including Michael James Jackson, P-Lo and more.

2014-2016 - Rifftime Music - Recording Studio Assistant/Account Manager/Talent Recruiter

One of three bloggers responsible for recruiting musicians to showcase on the Rifftime website. Created and maintained artist accounts. Scheduled and facilitated studio time with artists. Runner for Rifftime Music sponsored concerts.

5/2014-3/2018 - Any Breakers, Inc - Warehouse Logistics Intern

Responsible for processing customer orders and managing inventory cycle counting. I engaged with supervisors, warehouse employees and other departments to fix arising issues.

Projects & Skills

Production software: Pro tools, Cubase, Logic

Instruments: Guitar, Piano, Vocals, Drums

- High sense of urgency to solve problems
- Instinct to sense issues before they arise
- Consistently demonstrate emotional maturity
