

JUSTIN POPE

Miami, FL 33125

justinpope317@gmail.com

3174371906

I have been in music my whole life. With over 20 yrs producing and engineering, I can bring great value to recording studios. I am looking for a new studio to call my home. Even though I am currently located in Miami Florida, I am willing to relocate anywhere if the opportunity fits my needs.

Willing to relocate: Anywhere

WORK EXPERIENCE

Owner

Spaceman Enterprises - Miami, FL
2010 to Present

Produce, record, engineer, arrange, and perform music & spoken word (podcasts, voiceovers, audio commercials)

Home Health Aide

ACME health services - Indianapolis, IN
March 2014 to October 2017

I took care of people with disabilities in their homes with their daily needs.

Assistant Engineer

Naptown Studio - Indianapolis, IN
July 2015 to March 2016

Schedule sessions, prepare sessions, record & mix songs for clients.

Residential Coordinator

Residential Services Inc - Indianapolis, IN
March 2013 to March 2014

I took care of people with disabilities in their homes with their daily needs.

Service Technician

Villages of Bent Tree - Indianapolis, IN
March 2011 to August 2013

As a service tech, I would help with any and all maintenance that needed to be tended to on the property.
